**COMMUNICATION**

Assistant Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313

Sir:

Please be informed that we placed numerous phone calls to the US Patent Office to inquire about the signed Power of Attorney and Statement by Assignee forms that were filed electronically on February 24, 2010 in connection with the above-referenced US patent application. It has been more than a year now, and, to date, we have not received any written response from your Office. Please be further informed that all of the USPTO communications are still being sent to the previous

owner, namely, NXP. We were advised by the USPTO personnel to re-file the signed Power of Attorney and the Statement by Assignee forms as an option to speed up the process.

Attorney for the Applicants hereby requests the Commissioner to review the attached copies of the signed Power of Attorney Form (SB/80) and Statement Under 37 CFR 3.73(b) (SB/96) signed by David L. Teichmann, Secretary and Director of Trident Microsystems (Far East) Ltd previously filed electronically on February 24, 2010, and, the Patent Assignment Abstract of Title to assert the appropriate chain of title.

Please note that the new Attorney Docket Number is 348162-982080.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment to Deposit Account No. 07-1896 referencing our Docket No. 348162-982080.

We would greatly appreciate your kind attention and consideration as soon as possible.

Respectfully submitted,

DLA PIPER LLP US
